

SELECTED LITERATURE REFERENCES TO MOSQUITOES AND MOSQUITO-BORNE DISEASES

1986, Part 1

WILLIAM E. BICKLEY

6516 Fortieth Ave., University Park, MD 20782

Most of the titles listed here have been obtained from *Current Contents* and the *Review of Applied Entomology*, Series B. Selections are made so that mosquito control workers and researchers may keep abreast of current developments. Appreciation is expressed to Dr. Ronald A. Ward for providing many of the entries. The work was supported in part by Grant AI 15643 from the National Institute of Allergy and Infectious Diseases, National Institutes of Health, USDHHS.

ANATOMY, MORPHOLOGY, AND PHYSIOLOGY

- Arnason, J. T. et al. 1985. Effects of sesquiterpene lactones on development of *Aedes atropalpus* and relation to partition coefficient. *J. Nat. Prod.—Lloydia* 48(4):581–584.
- Borovsky, D. 1985. Isolation and characterization of highly purified mosquito oostatic hormone. *Arch. Insect Biochem. Physiol.* 2(4):333–350.
- Borovsky, D. 1985. The role of male accessory gland fluid in stimulating vitellogenesis in *Aedes taeniorhynchus*. *Arch. Insect Biochem. Physiol.* 2(4):405–414.

FLORIDA ANTI-MOSQUITO ASSOCIATION

Since 1922

POST OFFICE BOX 11867, JACKSONVILLE, FLORIDA 32211

President: James W. Robinson, Port Richey, Florida

President-Elect: Burie W. Clements, Panama City, Florida

Vice-President: Ray E. Parsons, Sarasota, Florida

Secretary-Treasurer: Elisabeth C. Beck, Jacksonville, Florida

Director, Northwest Region: Ben Henry Pooley, Milton, Florida

Director, North Region: Hampton Mickler, St. Augustine, Florida

Director, Southeast Region: Ron L. Day, Lake Worth, Florida

Director, Southwest Region: George Wichterman, Fort Myers, Florida

Scheduled Annual Meetings

May 4-7, 1986—Sheraton at St. Johns Place, Jacksonville

May 31-June 3, 1987—The Breakers, Palm Beach

March 13-16, 1988—Hilton Hotel, Pensacola

1989, Dates and Hotel to be determined—Orlando area
