FLORIDA FIELD TRIP

Preceding the AMCA meeting in
Tampa was a most interesting tour, ar-
ranged by the Local Arrangements Com-
mittee headed by Wayne Miller and Dan
Gorman.

The first day began with a visit to
Lou Fernald's district at Pinellas County,
where a successful water management

project in one of their mangrove swamps
had reduced a mosquito problem to a
minimum by a marginal ditch. The
afternoon program included a trip to the
Florida Encephalitis Research Center
where Dr. Bond and his associates—
Dr. Gates, Dr. Jennings, Dr. Taylor and
Dr. Lewis—described the Florida enceph-
