

ASSOCIATION NEWS

1976 JOINT CONFERENCE OF THE AMERICAN AND NORTHEASTERN
MOSQUITO CONTROL ASSOCIATIONS—APRIL 20–23, 1976,

BOSTON, MASSACHUSETTS, U.S.A.

To: Members and Friends of the American Mosquito Control Association
From: Robert W. Spencer, Chairman, Local Arrangements Committee

We of the Northeastern Mosquito Control Association along with the people of Boston and New England need your help in celebrating the 200th anniversary of American Independence. To ensure that we get that help, we are hosting the 1976 A.M.C.A. meeting at a time when the bicentennial activities will be at their peak. For your convenience we have selected as the conference site the Sheraton-Boston Hotel in the Prudential Center, a completely redeveloped complex of theatres, shops, and convention facilities near the

heart of the city, and within walking distance of many historic attractions.

Many of you will want to arrive in Boston on the weekend before the conference, that you may in your leisure, observe much of the activity planned for April 19th. This we strongly suggest and to accommodate you we have arranged with the Sheraton-Boston to reserve a block of pre-convention rooms. If you plan to arrive early it is not too soon to notify the Sheraton-Boston Hotel, Prudential Center, Boston, Massachusetts 02199.

Official pre-registration forms for the conference along with hotel reservation cards will reach you in the early fall.

See you in Boston in April 1976.
