The following new combinations are published in order to validate names for the forthcoming Chihuahuan Desert Flora of M. C. Johnston and collaborators. These combinations are proposed as a result of my as yet unpublished master's thesis (Variation and interrelationships of Aquilegia populations of Trans-Pecos Texas. Sul Ross State University, Department of Biology, Alpine, Texas. M.S. Thesis. 1979).

Aquilegia chrysantha A. Gray var. chaplinei (Standley ex Payson) E. J. Lott, comb. nov. Aquilegia chaplinei Standley ex Payson, Contr. U. S. Natl. Herb. 20: 156. 1918.

Aquilegia chrysantha A. Gray var. hinckleyana (Munz) E. J. Lott, comb. nov. Aquilegia hinckleyana Munz, Gentes Herb. 7: 141. 1946.
