

at page 504. Does this close the volume, or should there be an index appended to it?

I presume you received the package for Bolander & also one from Mr. Watt for yourself. If I forwarded a set or two of our local plants to you, could I secure an exchange from any of your Students who collect?

I trusting you will excuse this long series of questions from one who wishes to extend his botanical knowledge, I remain

Yours much obliged wellwisher,

James Fowler

Prof Asa Gray  
May

or two ago I com  
bot of Spruces to  
merces of the C  
I hope will reach y  
must confess my  
distinguish the young  
Black from those of  
Spruce. They grow  
& even the old lumber  
they cannot see any  
until the bark of the  
to crack & become  
to detect a difference  
them with Wood's  
did not succeed.  
turn out right, it is  
if wrong, then I ca

Fowler, James. 1870. "Fowler, James Oct. 12, 1870." *Asa Gray correspondence*
