

Maine State College of Agriculture & Mechanic Arts.

Executive Department,

M. C. FERNALD. . . . President.

Orono, Me., Feb'y 21. 1881/82.

Dear Dr. Watson:

From your letter and the catalogue which you kindly sent, I judge it will be possible, in time, for Meritt to acquire the general education desired and at the same time attend to the proposed work in the Herbarium.

From the brief study which I have given the subject, I should think the Course in Biology (L. S. S.) as a whole or in part with the additional language studies which you suggest would meet the requirements. Providence permitting, I will go with Meritt to Cambridge by Night Train March 6th, so that I may be with him there on Saturday, two weeks from today. Any suggestions you may be prepared to make as to the matter of getting him established, - board, room &c. will be gratefully received. I shall desire to arrange for him as fully as possible in a single day and then commit him to your kind care and oversight. He is much pleased with the prospect and will be ready to enter at once upon work in the Herbarium. Assuring you of cordial regards in which Mrs. Fernald joins. I am,

Yours very truly, M. C. Fernald.

Journal

Fernald, Merritt Lyndon. 1891. "Fernald, Merritt C. Feb. 21, 1891 [to S. Watson]." *Asa Gray correspondence*
