

Gard. Chron.

41 Wellington St

Covent Garden

London  
Oct. 22. 88

My dear Prof. Watson

I was not able to hunt up  
the "Scaphespermum Mart." question  
as I was pressed with routine work  
at the time so I applied to Oliver  
who writes that the whole thing is  
a blunder and that there is no  
"Scaphespermum Marsii" thus  
confirming your opinion. Nevertheless  
the book is so useful that we  
must not complain. I hope we  
may soon see a continuation of

Masters, Maxwell T. 1888. "Masters, Maxwell T. Oct. 22, 1888 [to S. Watson]."
