

My dear Dr. Gray,

I have just mailed the paper, which was in press to the care of the Cal. Acad. 100 + errors to correct in the so please excuse the bad proof but I think a valuable, especially you did not visit the city of error.

Just recd a note from Dr. communication for the "West- and conclusions regarding his stay at Kew and the British Museum left for Kew on the 26th inst. passage for America, Aug. 12.

Started for the depot but my buggy broke down that he stopped over at Fern not be along till Monday.

All that heard Prof. Far called it excellent, but comp that anything of interest could seaweeds so that the atten

I hoped to have started the south but now expect to
