

Ebenezer near Buffalo Febr. 24<sup>th</sup> 1852.

Very Dear Sir.

Your favour is received with the proof. As to plate No 41 I would say it could not be done over without some damage to the other, and also there is another reason yet. when my printer strucked off proofsheets he made about a 100 impressions which are my children coloring now and therefore I am very sorry that it can't be altered any more. I have here paper yet for these two plates, but I prefer much sized paper and you will please send me when you send <sup>new</sup> Drawings again.

I received no money yet for my last bill of Professor Henry and I am very anxious for it

Yours

very truly friend  
Jos. Prestele
