

HERBARIUM OF HARVARD UNIVERSITY,
BOTANIC GARDEN, CAMBRIDGE, MASS.

July 5th 1890

Dear Dr. Rusby,

You may in-
clude the brown cryptogam
garnet in the Harvard List
of Bang's Plants.

In any case where you
know that good specimens
of any species were sent
us in your own collection
I am not particular about
having them again. You
may leave out the com-
mon cultivated weeds of
cultivation. Very truly
Fernald

Watson, Sereno. 1890. "Watson, Sereno July 5, 1890 [to H. H. Rusby]." *Asa Gray correspondence*
