

Mr. Harvey, & the others, are very
well, & greatly enjoying the
fine climate & scenery lately.
My interest in America, al-
ways great, is naturally
enhanced by the residence there
of my near relatives, & their
friends, & in so I may add
of my millions of countrymen.

The recent sanitary panic
was necessarily sympathized
with ⁱⁿ all great trading places
in Europe, but I trust the
wonderful natural resources of
your great country & energetic
people, will in long time heal the
deep wound, which, at least
in some great ones, were inflamed.

Will you kindly remember
me to Mr. Gray, in which my
daughter would join, were she
on the spot -

Yours very sincerely
Thomas H. Whitney
