UNITED STATES GEOLOGICAL SURVEY

WASHINGTON D. C., June 21, 1888.

Dr. Soreno Watson, Cambridge, Mass.

Dear Sir:—

I take the liberty of sending you with this (by express) a package of plants collected by Prof. José N. Rovirosa, at San Juan Bautista, (Tabasco) Mexico. Knowing that you are interested in Mexican plants I send them in the hope that there may be something new or interesting. With our imperfect facilities we cannot name them satisfactory and beg that you may soon find time to do so. I shall have to ask that they be returned.

Very respectfully yours,

Lester F. Ward
