

HERBARIUM OF HARVARD UNIVERSITY,

BOTANIC GARDEN, CAMBRIDGE, MASS.

Oct. 5/91 1891

Dear Sir,

I give report of
accessions to the library
of the Herbarium as re-
quested.

Please inform me
as to the custom in the
College library ~~as to~~ in
counting "volumes" in
case two or more volumes,
or of a periodical, are
bound together. In our
enumeration the actual num-
ber of books is given.

Yrs. very truly
Serrano Watson

one ultimate count
is as they stand on the
shelves by bound books.
and this I think is the
legitimate way, ~~and~~^{but}
the count of volumes with
us must rest somewhat
~~to~~ in deference of the truth,
because now (the
shelves being not all ar-
ranged for look & room)
we have to take the
accorim count when
2 vols stand instead
of 1 one ~~in~~ which
when they get to the
shelf bound, represent
the work.

Watson, Sereno. 1891. "Watson, Sereno Oct. 5, 1891 [to J. Winsor]." *Asa Gray correspondence*
