My Dear Dr. Gray

By last mail I received your letter of Sept 16th with (enclosed) draft on N.Y. for \$275. (thanks) but I meant that you should retain some of the funds to pay express charges. but that can be arranged after. The principal item of news in this secluded spot is the recent arrival & departure of dear Dr. Torrey & Miss Maggie. I persuaded him to come over & occupy your quarters at Packer for a few days and they seemed quite to enjoy it. The Dr. however could not manage the light air and was unable to make the ascent of frogs peak with the party got up for the occasion. Miss Maggie made it out nicely though the day was not favorable & closed up with a snow storm. I was not with them until getting due notice. Mr. Greene who was disappointed in coming out here as proposed and only just met Dr. Torrey in the Corz.

yesterday was a red day in my cabin
calender as I was honored by a tea party
put up at the instigation of Miss Maggie
including 4 ladies. they seemed to enjoy it.
it was at least a funny affair
