 only in one locality. Nuttals ?!

58. Phlox longifolia H. Bridge
 59 Oxytheca dendroidea Nutt Little Sandy
 60 Chenopod — ? Dry Sandy
 can't make out collected in my return
 in September!
 61 Oberine — ? H. Bridge
triplex nuttallii

Some indigenous grasses &c which
 need not be sent till my general collection
 comes to hand. I have heard from
 Capt Jones. he has been getting married
 & consequently "demoralized" for business.
 "The H. Ellis parcel can't be found." &
 the rest not arrived!!

I have not the heart to write up
 anything till the collection comes. but
 will name something for Naturalist in
 time for Jan. No. Has late can I send
 manuscript for December also?

I leave this open to see if anything to
 add. after going to Post office

Yours ever
 C. L. Parry

P.S. and much satisfaction in regard to

the collection. The list from 71 Elm

referred to contain the names of plants

and contain notes. Hope it may also have

in all right. I will copy out some notes

on *Stenactis hirsuta* & *Stenactis hirsuta*

Stenactis hirsuta. *Stenactis hirsuta*

letter also *Stenactis hirsuta*!

Parry, C. C. 1873. "Parry, C. C. Oct. 31, 1873." *Charles Christopher Parry letters to Asa Gray*
