My Dear Dr Gray

Express parcel received. enclosed herewith
Postal order for \$8. or
I can make out a very
good set of rarities &c for
Paris after distributing sets
I have now in hand a
despicable job of moving,
but when moved shall have
more convenience for working
& observing plants &c After
distributing Utah & Wyoming
shall tackle my whole collection
see what duplicates I may
have and do some exchange
etc

I have sent in my 11th
paper PA obs. S Utah but not

to be published the Day!
in 3^d so I want to include
full list & descriptions, and
write out in full for Mr.
Purser as far as I can
leaving blanks for you and
me to fill up. If you
can send me as fast as
possible your final determination
I can incorporate in the 1st draft
and so leave less for you to do.
Dr Engelmann is up to his
ears again in Med' practice
and small prospect of botanical
leisure.

Yours truly
