My Dear Mr Watson

May I trouble you for  
Mr Lemmon's latest address?

I have just recd a pleasant  
letter from Dr Hooker who  
says N. Grayi is an <sup>entirely</sup> new and  
beautiful species & he is rejoiced  
at my dedicating it to Dr Gray.

I have, too, some notes by Mr  
Baker on the series of Cheilanthes  
specimens which I lent over, and  
intend shortly to send to Cambridge  
a set of specimens with my labels  
and notes.

Very Truly Yours

Geo. E. Davenport.
