

New Haven Jan 12. 1857

Dear Dr. Gray.

I have received the genus paper in good order, and your two notes about it. I thank you heartily for the trouble you have taken and the kindness you have shown in relation to it. I enclose a certificate of deposit in the City bank of New Haven for the money. I am in need of herbarium paper, and do not like to pay seven dollars a seam for that which is not the best for the purpose, as I have done.

Would an order for 10 - 15
seams be worth the while
of the paper makers? 15

If you think it would be
so, I would be much obliged
to you if you would give
Rice & Kendall an order for say
15 reams & a sheet of your own
herb. paper as sample.

I was in N.Y. the other day
& passed a very pleasant
evening in Dr. Torrey's study.

I shall send you some
plants in a day or two when
I will write again.

Yours most truly
Daniel C. Eaton
