New Haven. April 25. '72

Dear Dr. Gray.

I send notes on the Ferns of Hall's collection.

I have had the queer  
*Athyrium* before, from  
Brewer & from Watson, & am  
inclined to look it onto  
*A. filix-femina* -

Please let me know  
what I am to pay for  
the set. \$10. per 100- or  
more, or less. I have looked  
over only a part, but think  
Wright has distributed with  
a very generous hand -  
Mrs. Hooper was

here this evening. & she  
asked more questions about  
you than I could answer.

Ever truly yours  
Daniel C. Eaton.

Dr. Gray.
