

Crawfordsville, Ind. - Sept. 23 - '87

My dear Mr. Watson:

Would it be asking too much to let me have a look at Podosciadium? I have specimens so labeled, but I think they cannot be right. I would like to see something authentic, & this genus comes right in our way at this time. I will return promptly any material sent.

Yrs. as always
John M. Coulter.

Sent the entire P^o. cover - by mail
