

Living to A. Agassiz
Dec 29/73

My dear Mr Gray

There are among father's books,
a number of botanical works, for which
I have no special use. You may find
some use for them in the Herbarium
Library, & I shall be glad to send them
to you. There is also a copy (complete?)
of the *Flora brasiliensis* and of the
Flora fluminis. which I can send you
if they belonged to father? - are not already
in the Library - perhaps you can use it
as a duplicate or tell me if father ever
mentioned to you that he possessed the
books. I am under the impression they
were his own.

Yours truly
A. Agassiz.

Agassiz, Alexander. 1873. "Agassiz, Alexander Dec. 29, 1873." *Asa Gray correspondence*
