Dear Madam —

I am desirous of securing a peculiarly competent librarian to take charge, or to learn to take charge, of the library belonging to this Herbarium, and at Mr. Winsor's suggestion I take the liberty of writing to you as perhaps able to recommend some one for the place.

The library is ~~strictly~~ botanical & now numbers about over 5000 volumes and 3000 pamphlets, ~~catalogued~~ ^{catalogued} ~~in part~~ ^{in part} catalogued by authors. ~~and~~ ^{or} (rather roughly) ~~done~~. I need some one to keep it in order, to take care of accessions, to keep the run of bookseller's catalogues & other opportunities for the purchase of ~~desiderata~~ may not be lost, to gradually become familiar with the contents of the library and to carry out a sys-

thematic indexing of it by subjects. It
needs a person of considerable ability,
and good judgment, ^{and scientific tact, and} with a fair knowledge
of Latin, German and French. The position
would, for the right person, be a per-
manent one and the compensation
probably \$7-800 per year.

~~If you know of any one who
is fit for this, he
will be ~~able~~ to do this work
I shall be under great obliga-
tions to you if you will kindly in-
form me of ~~any~~ ^{some} one whom you
believe competent for this work.~~
