

High School, Denver, Colo.  
Oct. 7, 1890.

Sereno Watson,  
Curator of Herbarium at Harvard.

Please send me the following:  
Braun, The Vegetable Individual in its  
Relation to Species. 30  
Miller, application of the Darwinian  
Theory to Flowers and Insects. 25  
Andersson, Syn. of U. A. Willows. 25  
What is the date of publication  
of Torrey & Gray's Flora of U. A.?  
How does it compare with Gray's  
Synoptical Flora of U. A. in amount  
of material?

Please tell me something  
about the other volume advertised:  
Botany of the Wilkes U. S. Expl. Exped.  
I want some books but have no  
means of finding out if the  
last will supply my need. I  
desire to go to California soon and  
will need some work on the Flora.  
Alice Eastwood.

Eastwood, Alice. 1890. "Eastwood, Alice Oct. 7, 1890 [to S. Watson]." *Asa Gray correspondence*
