

SERENO WATSON,
Curator

HERBARIUM OF HARVARD UNIVERSITY,

BOTANIC GARDEN, CAMBRIDGE, MASS.

July 19th 1890

My dear Sir,

To answer your last question first, I will state that Dr. Robinson is paid by me at the end of each month, as all other expenses of the Herbarium aside from my own salary are paid, from funds furnished me by the Treasurer for that purpose out of the regular income.

~~If the methods that have come down to me from Dr. Gray are continued, which I believe have always been perfectly satisfactory and which the Treasurer has never intimated any desire to change,~~

I know of nothing that will re-
quire special action or cause
unusual demands upon the Treas.
prior before the 1st of October. I
hope to be able by that time to
recommend the appointment of
a second assistant in the work
of the herbarium.

Yours,

S.W.

Watson, Sereno. 1890. "Watson, Sereno July 19, 1890 [to C. W. Eliot] [draft]."
