Prof. Asa Gray

Dear Sir

I am heartily glad to know you have again. Hope I did not commit an indiscretion with asking for a specimen of the *S. Shortii*. I am now satisfied. Your specimen & the description in the *Synopt. Flora* tally exactly. -

As I do very frequently consult your Flora, it happened that I have Part II.  
discovered some errors in the Index, which I wish to bring to your notice: *Aplopappus acaulis* page 181 read 132 *Aster planimicoides* Torr & Gray, page 198 omitted *Ast. tortifolius* Br. 172 is 173 *Baeria* 72. 824 put into *Stellaria* *Baeria* 325 omitted *Bigelowia Douglasii* 187 is 139 *Filago Germanica* L. 230 omitted *Galium sylvaticum* Pallid. syn. of *G. concinnum*, page 39 *Grapholicae uliginosum* 288 read 235 *Lepachys* *Tagetes* Gray page 264 omitted. *Melampodium perfoliatum* L. C. not in text.

*Prenanthes virgata* Michx 433 omitted *Solidago discoidea* Torr & Gray page 144 omitted *Solidago pumila* Torr & Gray, page 160 omitted.

*Troximum retrosum* Gray put in Roman type

Part I. *Anisocarthus* 326 is 328 *Dasytoma* 289 J. add 291 *Leonnurus* 385 omitted (*Lamium maculatum* L. Onwego N. Y.) (*Parishella* 173) *Salicaria* omitted 346. 382 /

I have to add to my Tennessee Flora 25 species and also to correct some errors. Any plants I can supply to you - I am ever ready to your service. Yours very respectfully

Snd a knoll,

A. Garvington.
