Dr. Asa Gray

My dear Sir

In reply to yours of Nov. 19—
which should have received an earlier response, —
I think in conformity with your suggestion, that
the Institution will order an edition of 1250 copies,
and that we shall have the printing done by
Wilson & Son of Cambridge.

With regard to the work of Englemann,
it will of course give me great satisfaction to
promote its distribution through the agency of the
Smithsonian exchanges.

I remain

Yours very truly

Dr. Asa Gray
Cambridge.
