

Cambridge Mass. Feb. 20, 82

My Dear Oliver

You were very good to send me this precious specimen of Aster pygmaeus Lindl., and I was very bad and blame-worthy for not finding out that I had it already.

I hope that you will be able to get this completely back again into the place from which you cut it out to oblige me. And I will be careful not to call again without real need clearly ascertained.

Accept & give to Mrs. Oliver our best regards; we are very well, & Mr. Shaw says,
Sincerely &c. Asabury
