

July 1, 1888 Kew

Dear W.

I think we have only one volume  
of Suppl. of Royal Society Index. Please  
let me know & I will buy the completion  
& get the discount.

Has the Bot. of Biologia Centrali-Americana  
ever been sent? I suppose not.

Curtiss (& Chapman's, is it not?)  
"Paspalum vaginatum" (not Swartz, which =  
Tistichum) is Reimaria oligostachya.  
Munro. - as Benth. shows me. (= night-cula).  
Tell A.H.C. Ever Yrs. A. Gray
