

Reading Mass Jan 2, 1887
Mr Geo. Davenport
Medford Mass

Dear Sir,

I send package of Black
Spruce Cones, from three
trees, two newspaper packages have
cones from two trees at the
Arnold Arboretum and the loose
cones and branches are from
a tree in Wellesington.

I find as a rule the
seeds have dropped from the cones
or are imperfect. I hope you
will be able to find enough
for your work.

Yours truly
Nathaniel Manning
