

My dear Liverpool:

I have the Utrana
material now well in hand
and all ready for the Printer
with the exception of Scribner's
notes on the Grasses and yours
on the Ferns. I hope that
on this you have fully recovered
from the shock under which
I was so pained to find you
suffering when I met you
last June. Please accept
my most hearty wishes for
your full convalescence and
believe me

Most sincerely yours
C. F. Muespang
