

Ch. rec'd - to G. E. D. 10/15/99, in pay^t for set of
ferns. sold to Prof. Dudley. M. H.

Boston, Mass, Oct. 14/99

Mr. Meyers

I have to thank you
again for your kind interest
in disposing of the plants.

To day I have rec'd from Dr
Perry a check for three dollars
which I conceive belongs to
you as you have already
paid me for ~~them~~ the set
which he had. I at first
thought of returning it to him
but it occurred to me that
you might not wish to
have him know that you
had settled for the plants
& so I enclose it to you
having made it payable to
Mr. Meyers.

I am of course glad to

learn of the success of the
Syracuse Club in which I
feel a personal interest.

I have been very busy all
summer trying to get the
Soe. Herb. in order, but as I
get but very little time
from my business & family
duties to attend to it, I make
slow work of it & am far
from being through.

I think I may have a
duplicate of C. palmatum
for you by this & I have
the promise of some other
ferns, among them C. viscidula
and hope to have some dupli-
cates of Aspid. Mohrioides.

I am sorry that I have
not time to write more
at length.

Very Respectfully - Geo. E. Davenport

P.S. I have acknowledged
the recd of Dr Perry Check
& thanked him, but made
no explanation. I would
not have any of my Syracuse
friends hesitate to write
through fear of troubling me
I am always glad to hear
from them. Give my regards
to Mrs Barnes, and to all.
G. E. D.
