

Urbana

12 December, 1914

Dear Mr. Drane:—

Your card was welcome. My mother is still in N. H. (at West Lebanon), but she expects to be in Andover by a little before Christmas. Her address then will be

c/o Rev. Clark Carter

31, Bartlet Street (Bartlet with one final t, not a mistake on my part!).

I wish I could have been at the Club. Fernald told me when in Cambridge that Tarey had been investigating Vacc. Vitis-Idaea v. nina.

Our first snow of the winter came about two days ago, but it is not deep. In about 12 days we have had about an hour or so of sunshine—almost a record-breaking gloom.

Humetta grows apace and talks with me—increasing volume—now almost without a pause!

Give our best regards to Mr. Drane and accept the same for yourself. You'll see some little notes from me in Rhodora soon, I think.  
As ever, A. P.

THIS SIDE OF CARD IS FOR ADDRESS ONLY

Mr. Walter Stone

29, Brewster Street

Candler

Massachusetts

Pease, Arthur Stanley. 1914. "Pease, Arthur Stanley Dec. 12, 1914 [Postcard]."
