NEW HAMPSHIRE

22 September, 1926

My dear W.D.:

Many thanks for your birthday greeting which arrived, well-timed, on this morning's mail. I'm glad you got comfortably back, and I shall hope to see you again as I sail, for, if all goes well, I may be able to get to the first meeting of the Club on 1 October, and have no doubt you will be there.

This morning we tried to see Mr. Byers, but he and the Dilleys were off on an excursion up Nine Brook. The small scap he sent me looks like Oenothera pumila rather than O. fruticosa. Of course pumila is common enough all about.

Yesterday I had a fine trip to Black Mountain in Caenlisp (about 8 miles from Milan, where we have the main road and takes a branch road is about 3 miles). a beautiful view from the top, with the whole of Lunenburg and parts

of the other Rangers.

Please note that our new address at Butte is
13, Lincoln Avenue.

I hope you will some day be able to see us there.

Best regards from us all Logan and Miss Brown.

Sincerely yours,

Arthur Stanley Ran.
