

Montreal, Nov 24th 1884

Dear Mr. Deane,

Your note very
welcome. It will give
me pleasure to send
you copy of Report of
Hort. Soc. containing my
paper, and possibly I
can find one or two others
of interest to you. I will
send as soon as I can
go to the office-room
and hunt them up.

I am at work on our
College Herbarium which
was in a most chaotic
state. Summating, deter-
mining and arranging

My dear Mr. Dean
B. D. Hooker

is work which you know
is not my class but after
a time monotonous.
Am arranging by Bentham
& Hooker so that it
will accord fully with the
present system.
I have my Japanese
collection at hand once
more and shall enjoy
viewing it once more.
Many thanks for your
and King's invitation which
it will give me much
pleasure to accept when
next in Cambridge.
Please give my kindest
regards to Mrs. Deane
and accept the same
for yourself.

Penhallow, D. P. 1884. "Penhallow, David Pearce [Nov.] 24, 1884." *Walter Deane correspondence*
