

CUSHMAN HOUSE

W.T. PUTNAM, PROPRIETOR.

Lake Cushman, Wn., *May 24* 1911

*The Arnold Arboretum
Boston, Mass.*

Sirs:-

A few days ago I found a specimen of the common *Trillium* of a most beautiful pink & white, not at all the purplish tinge which comes as the flower ages, which had no less than 18 petals. The flower is at present pressing but not ready to send Sept. the rock I have. Would there be of any interest to you? I would be very glad to cooperate with you in this instance, or at any other where I might have the good fortune to happen on anything rare.

Respectfully
W. T. Putnam
