

P.S. Couldn't your Swans be the same mute Swans? The ones my brother had
flew about, until
they were "potted"
by some energetic
Italians.

Maplehurst Farm,

Lancaster, Mass., Oct. 10th 1912

Dear Mr. Deane

I find that Friday
comes on the 22nd this year.
Is that the date?

A train for Thayer leaves
the North Station, Boston, at
8.09 A.M. stopping at North
Cambridge Junction at 8.20 A.M.

A special car will be
provided for members and
their friends.

A return train leaves
Thayer at 3.24 P.M. for Cambridge
and Boston.

I leave the inviting in
the hands of the Committee. I only
want to know about how many to expect.
I don't see how you can leave any one out.

Sincerely,

John E. Thayer
