Dr. A. LeRoy Andrews,
324 College Ave.,
Ithaca, N. Y.

Dear Dr. Andrews:

I inclose the only stem of the Sphagnum macro-
phyllum from Maine that I possess. It was growing amongst
a lot of other Sphagna, and it was not noticed until I begun
to overhaul the material to dry it. It was collected, as I
recall it now, while on a sort of picnic trip where most of the
collecting had to be done by grabbing a quantity of stuff and
rushing on so as not to delay the party. I have never been
back to the place since.

When you return it please send it by first class mail
as that is about the only kind that seems to come through on
time during the Christmas rush.

Very truly yours,

Collins, J. Franklin. 1905. "Collins, James Franklin Dec. 10, 1912 [Collins to Al. L. Andrews]." *James Franklin Collins correspondence*
