

14 Jan. 1908.

Dear Prof. Collins;

I am sending
the specimen of Scapania
gracilis which I promised
you at the last Club meeting.

Prof. Evans tells me that
the species is known in America
only from Greenland, Prince
Edward I. & N.W. Desert I.,
so that the new station
is somewhat "exciting".

Yours,
H.H.B.

Bartlett, Harley Harris. 1908. "Bartlett, Harley H. Jan. 14, 1908." *James Franklin Collins correspondence*
