

New York Botanical Garden,
Bronx Park,
New York City.

April 15/1913.

Dear Mr. Collins: I have assumed Miss Clarke's letter
+ send the specimens to you. The Sphagnum capsules
some old and are "hold-overs". All very & best
that you are so busy. Do not forget us when
you distribute Urtica pyramidalis from Maine. I
you need not return the letter or specimens.

Yours truly
E. L. Britton
