My dear Mr. Collins: -

I thank you for calling my attention  
to an error in my paper on Heckera! My copy  
of Jaefer illustrated has no title page and is not  
pages consecutively - but consists of parts from the St. Gall  
publication in which they appeared - as far as I know  
no subsequent republication took place but Jaeger's death.

Completed the enumeration after Jaeger's death.  
What is the pagination of your copy? Consecutively or not? -  
I have referred to the referred in the referred in the referred!  
If there was a subsequent reprint with title page & pagination - I  
should like to know of it. - Yours sincerely

I wish you a Happy New Year! -
