Professor J. F. Collins,
468 Hope Street,
Providence, R. I.

Dear Professor Collins:-

Don't you want me to send you a lot of
West Indian duplicates named and unnamed of Polytrichum, etc. Of
course we are all very busy at the beginning of the fall season,
but we all know that you have made a critical study of the family
and I should be pleased to share our material with you.

Sincerely yours,

Elizabeth G. Britton
