Dear Prof. Collins:-

Many thanks for your prompt and generous reply to my request for specimens. Dont you want some of ours? Yes, I have made a lot of corrections in our copy and will send the list to you as soon as Prof. Chamberlain returns it! He is translating the keys and I have written a critical revision. I will send your order to Miss Mitten at once, Yes, I have tried to help them dispose of their father's books and pamphlets!

Cordially yours,

Elizabeth G. Britton
