Prof. J. Franklin Collins,

468 Hope Street,

Providence, R. I.

Dear Prof. Collins:-

We promised to send you duplicates of Polytrichum etc. from the W. I. last year and did not get around to it. Am hoping that Lillian will find time to get the duplicates for you soon. Meanwhile, I wonder if you could not plan to come here on one of our scholarships next year, and do some work for North American Flora? Dr. Andrews is here this summer working on Pottiaceae.

Sincerely yours,

Elizabeth G. Britton
