

Dear Mr. Collins.

I have just got home and it is late. I have opened your very nice, satisfactory package neat and attractive, and of course I thank you much. I am glad to get the Trif. incanertum as your seeds it for my other specimens are so very much larger. Then I should have a rooting Specimen.

The other plants are
well and they will
adorn my herb. Later
you shall hear from
me again.

I am very tired.
Good night -

Thine
