

Dear Prof Collins

Entirely from pruden-
tial reasons I must
give up the Providence
visit Tuesday —

I have to avoid the
hot sun in the
warm weather, and

a long day, such as
it would prove here
would be most
imprudent. It was

doing a good deal
to undertake that day
in September but the

heat was very different.

All see you all on

Friday — Sincerely
Cambridge. W. Deane
