

Cambridge, Mass.
May 24 / 1914

Dear Collier —

I have known, but only
in a very general way, that
there was trouble in Brown
in regard to our mutual
friend - MMB. used to write
me, at times, proceeding his
resignation, of pending trouble
but I never heard anything
specific - If you would
like to tell me details
I should be very much
interested to know of them.

Anything would, of course, be
confidential - As to "current
statements" I feel that I
ought to know them so
as to guard myself -
Didn't you tell me that
The College was preparing a
sketch or memorial of Bailey?
If so, it would be for them
to refute any untrue state-
ments - I really know of
none - Do write me.

Sincerely

Walter Deane
