Dear J. F. C. Jan 22 1918

Your most interesting card from  
Raleigh with cotton talk & interesting  
information was very welcome -  
What scenes you pass through - From  
 $80^{\circ}$  to below  $32^{\circ}$  in a few days is too much.  
We had  $-15^{\circ}$  at my house, and in!!!

Shelburne N.H. it was  $-28^{\circ}$ !!!  
I shall be at next club on Feb. 1,  
if the world still lives. His friend  
I am to write, Ever W.D.
