

Cambridge. Dec 25-118

Dear brother Collins,

You know what is good.  
Your photos are fine,  
well taken and very at-  
tractive. Good work  
and good thoughts -  
that mirror picture is  
mighty good. One or two

points give it away as  
examination, but the even-  
green in the center is as  
clear under the lens in  
one half as in the other-  
Thanks! Thanks!! Thanks!!!  
I'm well & shall try  
to keep so. L. H. Bailey is here,

Thinking he speaks of  
Chick - Come!! So - W. Deane
