

Dear Mr. Collins:-

The two specimens which
I now refer to my new
Diplophyllia I determined
for you several years
ago as D. taxifolia. Their
numbers are 1142 and 824.

Very truly yours,

Alexander W. Evans.

P. S. I am very much obliged
for the reprints from Rhodora
which you had the kindness
to send me a short time ago.
A. W. E.
