

SHEFFIELD SCIENTIFIC SCHOOL OF YALE UNIVERSITY.

New Haven, Connecticut, Nov. 24, 1908.

Dear Professor Collins:-

I regret to say that our supply of the bulletin on Connecticut Bryophytes has not yet been received - we have only one copy a piece. I think that you could secure a copy most quickly by applying directly to Mr. George S. Godard, State Librarian, Hartford, Conn. I hope that you will find the bulletin satisfactory.

I am very sorry that I was not at home when you called last September. I went to Maine early in August and found

it so pleasant there that I  
put off returning to New Haven  
as long as I could.

Very sincerely yours,

Alexander W. Evans.
